

Dear Guests,

Once again this year [El Corral de la Pacheca](#) opens its doors on the last night of the year to celebrate, in a warm and inviting flamenco atmosphere, the arrival of the New Year.

With the painstaking care that typifies us, for this special night El Corral de la Pacheca offers its guests an original dining proposal with a rigorous selection of the best products on the market.

On this signal date, our tables will display dishes evincing creativity and experience-based technique, offering richly nuanced flavors and attractive colors. To accompany such exquisite fare, we couldn't fail to provide a carefully selected array of Spanish wines.

During dinner, our guests will be able to delight in the best selection of genuine flamenco music and dance. Our flamenco company will regale you with all the passion and fire of this Andalusian art in a unique, truly captivating show.

At midnight, after downing the traditional Spanish grapes—one on each stroke of the clock to ensure the best of luck in the new year—our orchestra will begin to play for your dancing pleasure.

The decoration, atmosphere and, above all, the culinary design of this event, confirm how important our guests always are to us.

Sending you our best wishes for a happy holiday season, we remain,

El Corral de la Pacheca
